Message from the Chief

Winter 2015

Here it is, the winter of 2015. So far it has not been too bad with the exception of a couple of weeks of bone chilling cold. If this winter holds true, we will be seeing lots of snow in March and April. I trust that you all had a wonderful Christmas Holiday. At the Police Department, we had a great season. The people in town and a couple of business are made it a great time for some of the less fortunate children in the Nunn area. Through your generous gifts and donations, we were able to deliver 3 to 4 gifts to about 30 kids. Sometimes you hear that the "Spirit of Christmas" is gone. Well, I can tell you first hand that when I saw the faces of these kids receiving their gifts, there is no doubt that the Spirit of Christmas is still alive and well in the Town of Nunn. Thank you all for giving me the opportunity to see and feel the spirit.

Remember, we are still a ways out from warm weather. March and April loom heavy in the possibility for deep snow. Having said that, please remember to keep a few emergency items in your vehicle. Cat litter really works to get some traction if you're stuck in snow. Also an extra coat and some high energy snacks are always good to have. If you travel WCR 100, you know how bad it can get. A small shovel and of course a charged cell phone is a must. The best defense for real bad weather is as always, drive carefully.

As you know, my officers are diligent in their traffic enforcement on U.S. 85 and Weld Co. Road 100. We have been a full two years now of Zero accidents on 85 and CR 100 within the city limits. Traffic enforcement does pay. We not only work traffic. We were able to lock up a suspect in town that is a suspected of two sexual assaults on children. My team worked many hours to put this case together and get the indictment.

As always, my door is open to you if you need anything and REMEMBER, as always keep your our men and women in the service of OUR GREAT COUNTRY In your thoughts and prayers. Also, keep working on our goal to Practice Random Acts of Kindness. It will pay off.

GOD BLESS,
