Message from the Chief Sept. 2011

Its been great to see many of you once again. The Nunn Police Department is back and in operation once again. The main reason I came back was due to you citizens of Nunn. This town is one of the friendliest places I have been. The old fashioned values and caring for others is very apparent here. The Share house, the computer classes and availability are just a couple of the many things this administration is doing for the people of Nunn.

On the enforcement side, myself and five P.O.S.T. certified Reserves will be on the streets watching out for traffic safety, making sure you are safe in your homes and checking on Code enforcement violations. We hope that our contacts with you are not for violations.

Keep in mind that riding 4 wheelers on dedicated streets and roads is a violation and on special occasions when the town does allow these vehicles, you must have a drivers license and obey all traffic laws.

Remember, school has begun and our kids are walking to and from the bus stop. Be sure you keep a close eye out for them. We would really hate to cover such a tragic accident.

Keep our men and women in the service of our country in your thoughts and prayers and Be Safe.
