Message from the Chief

Summer 2013

It's hard to believe that summer is almost over and the school year is about to begin. We have had a relatively quiet year, so far. The summer afternoon storms are with us now and it reminds me to remind you that when you hear that storm siren, don't wait. Get to a safe place or come to the Town Hall storm shelter. We have food, first aid supplies and extra clothing if things get real bad. Remember, mobile homes are the most dangerous structures to be in if a tornado comes calling.

With all of the rain we have been getting, the weeds are thriving. If you cut your weeds it may have a residual effect and catch on and before you know it, the town is a better looking place. Not to mention that Town Code requires land owners to take care of their weeds over 6 inches.

Rattlesnakes have not as big of a problem this year. I believe that we were made aware of only six in town this summer. Much better than last year.

Once again, it's about time for school to start up. Kids will be walking to and from the bus stop in the mornings and afternoons. Please drive carefully. We want to avoid any mishaps.

Keep our men and women in the service of our GREAT Country in your thoughts and prayers and BE SAFE....
