Message from the Chief

2018

End of Year

Another year has almost past, and we find ourselves ready for another Christmas season. Thank God for those of us who have been blessed with another year. We also offer up a prayer to the families that lost a loved one this year.

During this year a great deal has taken place. The Trustees are working hard at doing what is best for you people of Nunn. The Police Department has seen some changes. You might see some new faces patrolling your streets. Feel free to stop by and say hello to them. I'm certain they will take the time to introduce themselves to you.

While our case load is continuing to increase. I encourage you to report any and all suspicious incidents. One never knows when that small amount of information may just be the piece that makes the case come together.

In closing, remember, we at the police department, are your employees. Never feel apprehensive to contact us. Our three officers and 5 reserves stand ready to assist you in any way we can.

GOD BLESS all of you and have a safe and glorious holiday. MERRY CHRISTMAS and may God keep you and yours safe for another year.
