Message From The Chief End of Year 2011

Well, we made it through another year. Its hard to believe, but the Police Dept. has been here for six months already. I trust you have noticed how we have slowed down the traffic a little bit. We still have some education to do, some drivers are slow learners. I'm sure one of my officers will get to them.

I want to take this opportunity to Thank you people of Nunn. Because there was no police department last year, we were not included in the county Santa Cops. We took it upon ourselves to make Christmas a wonderful time for some kids that might not have a great one. Well, the good people of Nunn responded. Between them, a few volunteers and a couple of businesses we were able to give 17 kids 4 or 5 extra Christmas gifts. A secret Santa and Bret and Wayne Baumann were responsible for \$700.00 worth of toys. There were so many toys, we will have a jump start on next Christmas.

The 90 mph winds on new years eve day have caused a great deal of damage to many in town. However, we were being watched over. Nobody was injured.

We will have a Town Maintenance man soon and we are all looking forward to the new water system and all of the town functions this progressive Board hosts for the people of Nunn in the coming year.

Remember, keep your address visible so we can find you if an emergency occurred and as always, keep our men and women in the service of our great country in your thoughts and prayers. God Bless.

joe
