Message from the Chief

Summer 2014

It's hard to believe, but August is upon us and another summer is almost in the books. Just around the corner is the Nunn Harvest Festival. With all of the events in and around the park, I want to remind you that kids will be everywhere, people on 4 wheelers will be allowed to drive on the streets (as long as they obey traffic laws) and there will be many pedestrians all over town. Drive carefully and let's make this festival an accident free event.

I would like to take this opportunity to thank all of you that got out there and cut down those weeds from our wet spring and early summer. It helps the town take pride in their town. It also keeps those pesky snakes from scaring the wits out of us when we see them. We have had a number of rattlesnakes in town, and remember, you can call us if you have an encounter with one. We are equipped to deal with them.

Last weeks "monsoon" rains did cause some problems in town. The amount of rain we had caused quite a few flooded basements and of course the road base was swept away. A big thank you goes out to Lowell and Ray for getting them back in shape as quickly as they did. Also, while we are passing out thank you's. Melissa has done a fantastic job getting the park cleaned up, painted and really taking care of the grounds. She has been a great asset to the town.

Summer is not over and neither are the summer storms. Remember, if it looks really bad, we will open up the shelter, so don't wait too long to get here.

Our traffic accident rate on US 85 and on WCR 100 is at a 100% reduction. I know not everyone likes traffic enforcement, but, it's obvious that it works. Remember back a few years ago when it was difficult to get on 85 due to the speed of traffic. And just think how bad it would be now with all of the new truck traffic.

Finally, remember to keep our men and women in the service of our great country in your thoughts and prayers. On a personal note, we see around the country and in our big cities that it appears morality and kindness are swiftly going away. That does not need to happen here in Nunn. This town has some of the finest people I have ever met. Practice random acts of Kindness and it will pay off. GOD BLESS
